Payments: Meal Charging Policy 2024 - 2025

Archimedean Schools recognize the important link between proper nutrition and academic success. The purpose of this policy is to establish a consistent school procedure for charging meals when students do not have money to pay, preventing meal charges, and ensuring eligible children are certified for free and reduced- price school meals.

Charging meals:

Because hunger is an impediment to learning, no child shall be denied a school meal because of an inability to pay. Children will be served a meal that meets the U.S. Department of Agriculture nutrition standards for school meals.

In order to facilitate payments we have established equal monthly installments. Monthly installments do not represent actual school days but rather an average of the total. Students that choose these programs are responsible for full payment whether or not full use was made. **There are no refunds or deductions for partial use of the service.** Payments received will go against any unpaid lunch balance.

Lunch & Breakfast payments are prepaid by Visa , Master Card, Discover, AMEX, check or money order.

All payments must be processed through the Archimedean
Please contact via email: cashier@archimedean.org or via phone at: 305-279-6572

WE RECOMMEND PAYMENTS VIA CREDIT CARD

Credit Card Authorization Form ([click here](#)) must be e-mailed to cashier@archimedean.org

Checks and /or money orders must be mailed to the school address, attention cashier

Please write the student's name and the purpose of your payment (e.g. lunch), on the check or money order before mailing it to the cashier.

- **A fee of \$10.00 will automatically be applied by the system to payments received after the due date.**
- **A fee of \$35.00 will be charged for any returned checks.**

The Archimedean Schools appreciate your support in keeping your account up to date.

Procedures

Each student will be provided with his/her unique identification card, which will be scanned for record keeping. The lunch counts operator identifies each student verbally and scans the student's bar-coded identification card. This identification card displays the student's name and generically generated bar code and no other personal information. Our system prevents for a student being charged twice in a day.

Students must bring their id card to the cafeteria daily in order to be served.

A temporary student ID, valid for one day, will be provided to the student at a cost of \$2.00 charged to the family account and an automated email will be sent to the family. In case the id card is lost, or damaged, it will be replaced at a cost of \$8.00 to the student.

NO STUDENT WILL BE SERVED IF NO ID CARD IS PRESENTED TO THE CASHIER.

Please keep your lunch account up to date.
